Hedge Connection Announces First Annual Networking Event

- New York event will showcase Hedge Connection member successes and offer unique networking opportunity for Hedge Connection members

New York, NY, May 31, 2007 – Hedge Connection Inc. (“Hedge Connection”), the first internet-based research and networking platform for hedge funds and qualified investors, today announces that on June 7, 2007 Hedge Connection will host its first member's only networking event in New York. **"An Evening with the Pros"** will feature a distinguished panel of professional hedge fund investors. Hedge Connection members will be joined by PGA professionals providing swing and putting analysis.

Commenting on the event, Ms. Lisa Vioni, President of Hedge Connection said, "I am pleased to bring our members together to network and warm up their swing for the golf season. Since our hard launch last year, several hedge funds have raised capital on the platform at a fraction of the cost of traditional marketing channels. We estimate that over \$50 million has been raised thus far. Our event will celebrate their success and offer our members another unique networking opportunity."

Hedge Connection Executive Member Douglas Leighton, Portfolio Manager from Dutchess Private Equities Fund added, "We decided to ramp up our marketing program and increase our exposure with qualified investors. Hedge Connection was the only service that provided direct access to hedge fund investors. We have increased our assets over 10% by using Hedge Connection since December 2006 and considerably increased our network of investor contacts."

Hedge Connection welcomes Terra Nova Financial LLC, and Hedge Speed as event sponsors. Further information on the Hedge Connection event, Terra Nova Financial, LLC and Hedge Speed can be found at <http://www.hedgeconnection.com>. The event is exclusively for Hedge Connection members.
